Mayor's Message by Brandon Paulin

Hello all and Holiday greetings,

First, I want to welcome Cassandra Grumbine to the Indian Head Town Council. Councilman Albright moved closer to family and after much deliberation and application review, we decided Councilwoman Grumbine was the woman for the job!

Here are just a few updates on some projects, happenings, and more.

Boardwalk is nearing completion; SE Davis has done a phenomenal job in constructing this masterpiece along the Potomac River. Keep an eye on the town's website for when this community attraction will be opened and a ribbon cutting takes place. Go follow SE Davis on Facebook for up-to-date pictures from the site!

The Indian Head Grocery initiative is well underway. Oasis Fresh Food Market is planning on opening their doors in late 2022 in the old Indian Head Furniture/ Algonquin building. Accompanying them will be Ice Cream! Check out their website for more information. https://oasisindianhead.com/

The MTC (Maryland Technology Campus), home to the new United States Bomb Technician Association (USBTA), and former A&P/ SuperFresh location is looking better every day. This site is anticipated to bring 150 jobs locally, providing more employment to local residents in career-oriented fields.

The College of Southern Maryland's Velocity Center is acting as the catalyst we anticipated. So much so, the Town's Revitalization and the CSM Velocity Center was awarded a silver award at a recent International Economic Development Conference. So many community partners, governments, and more contributed to the success of this project. Here is a great video from CSM detailing some of the journey, present, and future of the Velocity Center. https://youtu.be/THfrrcxwEws

This upcoming legislative session, I will be advocating for Maryland Municipalities, including the Town of Indian Head. I now serve on MML's (Maryland Municipal League) Legislative committee and look forward to learning, advocating, and implementing lessons learned back to Indian Head.

I hope everyone has a safe and joyful holiday season, I hope to see you out and about.

Happy Holidays!

Mayor Paulin

Bridge Church

A Touch of Christmas Wonder – Sunday, December 12th from 4:00 – 6:30 p.m. We are excited to share the wonder with everyone, and extend an extra-special invitation to our military members and families who are away from home.

Join us for an interactive stroll through the traditions of Christmas with open-house events from 4:00 - 6:00 and Christmas Caroling for all from 6:00-6:30. We invite you to watch a family Christmas classic showing in Black Box Theatre complete with popcorn! Be creative and satisfy your sweet tooth decorating homemade sugar & gingerbread cookies, and make a Christmas ornament (or two) to take home in BRIDGE Church office spaces. Visit our local coffeehouse and enjoy house coffee, hot apple cider or Clarity's signature hot-cocoa, complete with all the toppings. Of course we wouldn't want you to miss the opportunity to capture the memories, so be sure to have fun at our Outdoor Photo Booth, complete with backdrop and props! We will close-out the evening with Christmas Caroling at Black-Box and the surrounding neighborhood. BRIDGE Church & Clarity Coffee have teamed up to sponsor this **FREE** event for the community of Indian Head; you can register at www.bridgeih.church/event.

Community Christmas Eve Services at Black Box Theatre: Friday, December 24th at 4:00 & 6:00 p.m. *Nursery will be provided at the 4:00 p.m. Service All are invited to join in our family friendly Christmas Eve services at Black Box Theatre.

Indian Head Baptist Church

Indian Head Baptist Church will be having a Christmas Eve Service on December 24th at 6:00pm here at the church - 27 Raymond Avenue, Indian Head, MD. Regular worship services on Sundays throughout the months of December, January and February - both in person and online - at 10:30am. All are welcome!

St. James Episcopal Church

The people of God at St. James' Episcopal Church in Indian Head worship on Sunday mornings at 10 a.m. All Sunday services are offered in-person, on Zoom, and Facebook. If you attend in-person, masks and social distancing are required. All are welcome!

Please join us for Morning Prayer on Wednesdays at 8 a.m. through our Facebook page.

The Season of Advent (a time of preparation for Christmas) begins on Sunday, November 28 at 10 a.m.

A Service of Advent Lessons & Hymns will be held on Sunday, December 12 at 10 a.m.

A Christmas Pageant will be held on Sunday, December 19 at 10 a.m.

A Blue Christmas/Longest Night Service will be held on Monday, December 20th at 7 p.m. via Zoom.

The Candlelight Christmas Eve Service will be held on Friday, December 24 at 7 p.m. This will be offered in-person, on Zoom and Facebook

On Wednesday evenings during Advent, we will also have a study developed by the Episcopal Diocese of Washington, entitled 'Emerge' (What does the future hold for us as followers of Jesus?) followed by a short Vesper Service. We will meet from 4:30-5:30 p.m. by Zoom. Please check our website for more information.

The Community Garden - in partnership with the Sierra Club - has been planted. Come and check it out! We will have a Dedication and Blessing of the Community Garden in the near future.

We offer free Wi-Fi access to our community. You can come to the parking lot and sit in your car to use this service.

For more information, please call 301.743.2366, check out the sign in front, or visit our website at stjamesindianhead.org for the latest news.

Please let us know if you have a need in your family and please stay safe. Don't forget to wash your hands, socially distance when appropriate, wear a mask, and get the vaccine if you are able.

We are praying for you. May the peace and love of Jesus be with you.

Town Codes

- **Burning**—No burning is allowed within the Town.
- **Animal Control**—Dogs must be kept on the owner's property unless properly restrained. The Charles County Animal Control provides animal enforcement within the Town. Call 301-932-1713 if you have a problem.
- **Abandoned or Inoperative Vehicles** are prohibited within the Town and may not be kept on the street for more than 24 hours or on private property, with certain exceptions. Call Code Enforcement at 301-743-5511 ext. 101 with any questions.
- **Property Maintenance**—Every dwelling and lot shall be kept free from trash and garbage. Weeds and grass must be cut and kept shorter than 10 inches.
- **Building Code**—The Town has an adopted building code. Any new construction or remodeling, including, but not limited to porches, fences, sheds and garages, requires inspection and a building permit from the Town.

Code Enforcement

Planchek administers the Residential Property Maintenance and Building Codes for the Town of Indian Head. The Code Enforcement Officer does daily inspections throughout Town to check for code compliance. When a property is not up to code, the Code Enforcement Officer will issue a violation letter to address the code violation. Depending on the type of violation, the days for corrective action can be between 7 to 30 days. After the specified number of days, a fine letter will be issued for an additional 7 to 30 days, followed by a citation if the violation has still not been addressed. At the time that the citation is issued, the violation may be taken to court, or the Town may complete the needed property maintenance and lien the property for any costs incurred. The Town's Code Enforcement also does rental license inspections, and building permit inspections.

If you have any questions about the Code Enforcement process, if you would like to report a Code Enforcement violation, or if you need to speak with the Code Enforcement Officer in reference to an inspection, please call 301-743-5511 ext. 101.

Recycling/Yard Waste

Solid waste products such as glass jars and bottles, newspapers, plastic bottles and metal cans will be picked up at the curb every Thursday within the Town of Indian Head. Place these items in your recycling bin—no need to separate them.

Yard waste will be collected on Wednesdays, year-round, weather permitting. Grass clippings and leaves must be placed in brown paper bags or in a trash container marked "Yard Waste" and placed at curbside. Brush must be bundled and must not be any longer than four feet (4') in length. Individual pieces of brush must not be any larger than six inches (6") in diameter. Both Recycling and Yard Waste must be curbside by no later than 7:30AM. Bulk trash can be scheduled year-round on Wednesdays. Fee of $50 (cash or money order **ONLY**) per scheduled pick-up must be paid in advance at time of scheduling at Town Hall. All items must be curbside by 7:00am on the prescheduled pick-up day but not earlier than 48 hours prior to pick-up day.

REMINDER: Please do not rake leaves or blow grass clippings into the storm drains.

Utility Rates

The Town bills for utilities on a quarterly basis. Please make note that you will be receiving a bill four times a year (July, October, January and April). ***You are encouraged to make an estimated payment monthly toward your quarterly bill.*** For more information you can call Town Hall at: 301-743-5511.

Water & Sewer Rates

Minimum rate for all residential customers **$ 70.40**

(per dwelling unit per quarter) plus

$6.85 for every 1,000 gallons used

Minimum rate for all commercial customers $**212.80**

(per unit per quarter) plus

$6.85 for every 1,000 gallons used

Bay Restoration Fee

$15.00 to State of Maryland Comptroller's office for the Bay Restoration Fund

Trash Rates

Residential/Multiple Residential Rate: ***$ 85.00 (per dwelling unit per quarter)*** - Billed quarterly for twice a week curb-side pickup and one (1) recyclable products pickup per week.

Commercial Rate

Category I	Dumpster (4cu yds)	$495.00 per quarter
Category II	Maximum 2 cans (per unit)	$95.00 per quarter
Each additional can		$46.00 per quarter

BUSINESS HIGHLIGHTS

IHVFD & RS - Winter Fire Safety Tips

During this time of year, our thoughts turn to colder temperatures and the holidays season associated with Winter. This means heating and decorating our homes as well as holiday season cooking. Unfortunately, during this time of year is when many of us get so busy and caught up in the hustle and bustle and tend to pay less attention to the details and take many shortcuts especially when it comes to cooking for the Holidays, decorating for the season, and heating our home during the cold months. These short cuts can result in tragedy from fire damage, injuries and even death. ***According to the United States Fire Administration (USFA), fires occurring during the holiday season claim the lives of over 400 people, injure 1,650 more, and cause over $990 million in damage annually.***

In an effort to make this time of year safe and incident free for you and your family, the Indian Head Volunteer Fire Department and Rescue Squad Inc. would like to offer the following Fire safety tips.

Home Heating:
The leading cause of residential fires during the winter months is heating appliances and the misuse of these devices. The following are some safety tips that need to be observed when using any form of heating devices within youR home.

- Be sure to follow the manufacturer's operating and maintenance instructions.
- Be sure to have your furnace serviced by a trained professional every year.
- When buying a space heater, be sure to look for the UL or FM testing laboratory label. This ensures the heater has been tested by a safety laboratory and certified.
- Ensure the heater is equipped with an emergency tip-over device. This will ensure that if the heater is knocked or tipped over it will shut off automatically.
- Be sure to use only the appropriate fuel in these heaters, using the wrong or inappropriate fuels can lead to an explosion, fire, and serious injury.
- If you use a fireplace for heating your home be sure to have it professionally cleaned and inspected each year.
- Always use a fire screen and burn only appropriate materials.
- Be sure to properly dispose of the ashes in a metal container and store it away from your home.

Carbon Monoxide Poisoning: Carbon monoxide is an odorless and tasteless gas that can make you and your family members sick and can even cause death.

- Symptoms of carbon monoxide poisoning include headache and dizziness, nausea, convulsions, respiratory arrest which can lead to death.
- Carbon monoxide is caused by the incomplete combustion of fuel products such as fuel oil, propane, natural gas and even the log in your fireplace.
- If you heat your home with fuel oil, natural gas, or propane, be sure to install at least one Carbon Monoxide alarm in your home.
- These devices should be placed either in the hallways or in the sleeping areas of the home.
- Purchase a device that is electric with a battery backup to ensure they work in the event of a power failure.
- Should your detector go into alarm, leave your home as is and contact the fire department. By opening windows and doors to ventilate the home, the fire department could get false readings

on their meters.

- Be sure to replace the battery in these devices annually to ensure their operability.
- **NEVER use a portable generator in your home during a power outage!**

Cooking Safety:

The kitchen is the heart of the home, especially during the holidays. Family, especially the children love to be involved with the preparations. Safety in the kitchen is important all year but especially during the holiday season when there is a lot of activity and people at home. Cooking equipment, most often a range or stovetop is the leading cause of reported home fires and home fire injuries in the United States. In addition, cooking equipment is also the leading cause of unreported fires and associated injuries this time of year. Here are some cooking safety tips to help keep you and your family safe in the kitchen.

- The leading cause of fires in the kitchen is unattended cooking.
- Be sure to stay in the kitchen when you're frying, broiling, or baking any food. If you must leave the kitchen, for even a short period of time, have an adult watch the cooking or turn the stove off.
- If you're simmering, roasting or broiling, be sure to check it regularly and use a timer to remind you of cooking times.
- Be careful around the burners and heating elements, keep all potholders, oven mitts and other combustibles away from the heat.
- Be sure to have a Kid-Free Zone around the stove and oven. This is an area of 3 feet and prevent children from getting too close to the appliances and possibly getting burned.

If a fire on the stove or in the oven occurs, please remember the following:

- Stay calm.
- Smother the fire by placing a lid on top of the pan.
- Turn the burner off and allow the pan to cool completely before removing it from the stove.
- If a fire occurs in the oven, leave the door closed as fresh air will cause the fire to accelerate.
- Turn the oven off and allow it to cool completely before opening the door.

Decorations:

Commons mistakes such as using the wrong lights, over loading extension cords or outlets and damaged or frayed wires are the leading cause of fires when it comes to decorations.

When buying and using decoration, please keep follow these safety tips.

- Be sure to purchase and use only UL or FM approved indoor and outdoor lighting and decorations.
- Be sure all electrical cords are in proper working condition with no frayed or damaged areas and never attempt to repair any lighting or extension cords; this could cause a fire due to a short circuit.
- **NEVER** overload electrical outlets.
- Be sure to connect all lighting to the extension cords before plugging the cord into an outlet to reduce a power surge on the electrical system.
- Check all wiring periodically, they should never be warm or hot to the touch. If they do become warm or hot, you should disconnect them immediately and replace them.
- Be sure to turn off or unplug all lighting and decorations when you're not at home or go to bed.

- Never leave holiday lighting unattended.

Christmas Trees:
According to the United States Fire Administration, during the past 5 years U.S. fire departments have responded to an average of 250 home fires that started with Christmas trees per year. These fires caused an average of 14 deaths, 26 injuries, and $13.8 million in direct property damage annually.

- When using a live Christmas tree be sure to choose a freshly cut one. The needles should be green and hard to pull off the branches.
- Tap the tree on the ground and see if the needles fall off, if they do the tree has begun to dry out and could be a severe fire hazard.
- Before setting the tree up in your home, cut one to two inches off the trunk to allow the tree to draw water from the stand more evenly.
- Be sure to use a stand with a base for better balance and a deep-water reservoir to immerse the trunk. This will allow for ample water helping to keep the tree fresh.
- Be sure to check the water level daily and add water as needed.
- Keep the tree away from all heat sources such as fireplaces, heat registers and portable heaters to prevent it from drying out.
- Be sure to set the tree up out of traffic areas to prevent it from being knocked over and from blocking your exit from the home in the event of an emergency.
- Be sure to dispose of your tree properly before it dries out by taking it to a recycling center or having it hauled away by a community pick-up service.
- If you are using an artificial tree, be sure that it has the UL or FM label on it.

Candles:
Although they make our houses smell and look nice, candles are becoming on of the leading causes of home fires in the US. Please follow the tips below when using them in your home.
- Try to use the jar type as they are enclosed and less likely to tip over. • Make sure they are out of the reach of children and pets.
- Keep them away from all flammable or combustible material.
- Ensure they are not in the path of egress or block the way out of your home.
- Be sure to blow them out whenever you leave your home.
- **NEVER** use candles on a Christmas tree.

The Indian Head Volunteer Fire Department & Rescue Squad would like to wish everyone a Happy and Safe Holiday Season. By following these basic safety tips, you and your family enjoy a warm and Fire Safe Holiday Season. For more information on Fire/Life Safety or if you have any questions contact the fire station at 301-743-3900 or 301-753-9400.

Indian Head Senior Center

The Indian Head Senior Center is located on the Village Green in the Old Post Office. Our address is 100 Cornwallis Square. If you are at least 60 years young we encourage you to be independent as long as possible physically, mentally, spiritually, and socially.

We ask for patience as we reconvene without all the restrictions. We are anxious to reopen the center safely. Remember "kindness is difficult to give away because it keeps coming back to you". For questions **call 301 743-2125**, messages are checked throughout the day.

Important Media sites to visit or numbers to have:

Our Facebook page – **Charles County Senior Centers** – get updated news, live fitness classes, join us in crafts or just send messages to say hello. We will not overwhelm you

Get Connected – www.charlescountymd.gov/getconnected - complete a simple form to get a copy of the SCOOP, and other enews

Maryland Access Point (MAP) – 855 843-9725 or email MDAccessPoint@charlescountymd.gov to obtain resources and services in Charles County.

COVID-19 updates – Please DO NOT come to the center if you are sick. Updated information found at https:governor.maryland.gov/ and our local Health Department 301 609-6717.

This Winter

- Our hours will be Monday – Friday, 9 a.m. to 3 p.m. starting January 2022
- As of November 18, 2021, mask mandate is in effect.
- Meals by reservation 10 a.m. the preceding day with a suggested lunch donation of $3.
- Fitness Classes are offered every day and the fitness room is opened. Make sure to schedule time for a fitness orientation. Some classes require a fitness card.
- Tai Chi around the fountain at 9 a.m. on Mondays and Wednesdays, weather permitting.
- Schedule appointment with our Aging & Disability Resource Specialist, Julie Hammonds on the 2nd and 4th Tuesdays by calling the center.
- Bingo is back on the 1st and 3rd Mondays starting at 9:30 a.m.
- Grocery Bag Distribution on Thursday, December 16th, and January 20th at 11:30 a.m.
- New Programs Starting January 2022
    - Fresh Conversations
    - Senior Tech Club
    - Green Thumb Club
    - Coffee, Conversation and Color
    - Crafter's Corner

Stay Safe and Spread Love – Your Indian Head Senior Center Staff.
